**WESTERN COPPER AND GOLD PROVIDES UPDATE ON
STRATEGIC PARTNERSHIP WITH MITSUBISHI MATERIALS**

Vancouver, B.C. Western Copper and Gold Corporation (“Western” or the “Company”) (TSX: WRN; NYSE American: WRN) is pleased to provide an update on its ongoing strategic partnership with Mitsubishi Materials Corporation (“Mitsubishi Materials”).

Western and Mitsubishi Materials are in productive dialogue to extend the investor rights agreement between both parties, and hope to be able to conclude said extension in the near term. There can be no assurance that the discussions between Western and Mitsubishi Materials will result in a definitive agreement, or as to the timing or terms of any such agreement. The Company will provide further updates as appropriate.

“Mitsubishi Materials is a committed, highly valued, partner on the Casino Project,” said Sandeep Singh, President & CEO. “We look forward to concluding our constructive discussions in the near term and along the same lines as our existing relationship.”

Cautionary Note Regarding Forward-Looking Statements

This news release includes certain “forward-looking information” and “forward-looking statements” (collectively “forward-looking statements”) within the meaning of applicable Canadian and United States securities legislation including the United States Private Securities Litigation Reform Act of 1995. These forward-looking statements are made as of the date of this news release. Forward-looking statements are frequently, but not always, identified by words such as “expects”, “anticipates”, “believes”, “plans”, “projects”, “intends”, “estimates”, “envisages”, “potential”, “possible”, “strategy”, “goals”, “opportunities”, “objectives”, or variations thereof or stating that certain actions, events or results “may”, “could”, “would”, “might” or “will” be taken, occur or be achieved, or the negative of any of these terms and similar expressions. Such forward-looking statements herein include statements regarding the ongoing discussions between Western and Mitsubishi Materials, the extension of the investor rights agreement, the timing, terms, and completion of any such agreement, and the continued strategic partnership between Western and Mitsubishi Materials.

Forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause actual events to be materially different from those expressed or implied by such statements. Such factors include but are not limited to the risk of unforeseen challenges in advancing the Casino Project, potential impacts on operational continuity, changes in general market conditions that could affect the Company’s performance, and other risks and uncertainties disclosed in the Company’s annual information form and Form 40-F for the most recently completed financial year and its other publicly filed disclosure documents.

Forward-looking statements are based on assumptions management believes to be reasonable, such assumptions and factors as set out herein, and in the Company’s annual information form and Form 40-F for the most recently completed financial year and its other publicly filed disclosure documents.

Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, other factors may cause results to be materially different from those anticipated, described, estimated, assessed or intended. These forward-looking statements represent the Company’s views as of the date of this news release. There can be no assurance that any forward-looking statements will be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements. The Company does not intend to and does not assume any obligation to update forward-looking statements other than as required by applicable law.
